

OTA Globetrotter – Rodeo

Travel & Offroad Fair at Erzberg

4.500 visitors and 1.500 long distance travel and off-road vehicle gather on the annual unique terrain on the Erzberg. It is a worldwide event for travel-, off-road- and photography lovers. The Globetrotter-Rodeo on the Erzberg is gradually growing and already one of the most important events for individual travel in Europe and with distance, one of the biggest events in Austria.

Especially captivating is the fascinating scenery of the known Styrian Erzberg and the friendly and familiar being together from thousand visitors of the European travel and Offroad scene. A perfect combination, that offers just the right adventure for everyone.

You always wanted to drive yourself behind the wheel of a 10 ton heavy and 300 PS strong Offroad-Truck? You have the possibility at the OTA Globetrotter – 600.000 qm free rideable driving terrain with all difficulty levels.

You can expect high quality Dia and Multimedia lectures from winning adventurers. Workshops to the themes: Vehicle technology, outdoor, first-aid, Photography, audiovision, a 4x4 Erzberg ride with your own vehicle to the top of the Erzberg. Hauly-ride with 170 tons heavy mining trucks on the active mining terrain. Kids can let off steam at the mini-excavator, tractor, pile of sand and bouncecastle. That and much more will await you on the Erzberg Globetrotter.
